NOTICE INVITING TENDER (NIT)

Sealed Tenders in a Two Bid System affix a court fee stamp of Rs. 25/- is invited by the Managing Director, Meghalayan Medical Drugs & Services Limited, from the registered manufacturer and authorised Distributor "for Supply of AYUSH Drugss." The tender process in a two-bid system involves the submission of two separate bids: a technical bid and a financial bid. The technical bid is evaluated first, and only those bidders who meet the technical specifications will qualify for their financial bid opening.

This system ensures that the bidders who are awarded the contract have the necessary technical expertise and capabilities to complete the project successfully. The technical bid typically includes details such as product specifications, quality control measures, timelines for delivery etc. The financial bid, on the other hand, includes the cost of the medical items, including any taxes and duties. The two-bid system is widely used in government procurement processes, as it ensures transparency and fairness in the selection of vendors. Overall, the two-bid system is an effective way to ensure that the best vendors are selected for a project, based on both technical and financial criteria.

56. Arbitration:

- a) In the event of any question, dispute or difference arising under this contract (except as to any matters the decision of which is specially provided for by the general or the special conditions.), the same shall be referred to the sole arbitrator or an officer appointed to be the arbitrator by the Managing Director MMDSL Meghalaya. It will be no objection that the arbitrator is a Government Servant or that he had to deal with the matters to which the contract relates or that in the course of his duties as a Government servant he has expressed views on all or any of the matters in dispute or difference. The 'Award' of the arbitrator shall be final and binding on the parties to this contract.
- ii) In the event of the Arbitrator dying, neglecting or refusing to act or resign or being unable to act for any reason, or his Award being set aside by the Court for any reason, it shall be lawful for the Managing Director MMDSL Meghalaya to appoint another arbitrator in place of the outgoing arbitrator in the manner aforesaid.
- i) It is further a term of this contract that no person, other than the person appointed by the Managing Director MMDSL Meghalaya as aforesaid, should act as arbitrator and that, if for any reason that is not possible, the matter is not to be referred to Arbitration at all.
- ii) Upon every and any such reference, the assessment of the costs incidental to the reference and Award, respectively, shall be at the discretion of the arbitrator.
- iii) Subject as aforesaid, the Arbitration and Conciliation Act, 1996 as amended and the rules there under and any statutory modification thereof for the time being in force shall be deemed to apply to the Arbitration proceedings under this clause.
- iv) The venue of arbitration shall be the place from which formal Acceptance of Tender is issued or such other place as Managing Director MMDSL Meghalaya at his discretion may determine.
